CUSTOM DECORATED FIBERGLASS TRAYS

GLASTEEL™ HEAT TRANSFER AND CUSTOM COLOR INFORMATION

Available for Glasteel Trays shown on pages 132-133.

1. Any shape or size can be personalized or provided in a custom color.
2. All orders subject to shipment of **plus or minus 10%** of the quantity ordered.
3. Requests for more than one sample, or for samples without firm purchase order, will be charged \$75.00 net for first color, or custom color, and \$25.00 net for each additional color.
4. Final order will be produced when Carlisle is supplied with **written approval** of sample submitted.
5. If camera-ready art supplied is not satisfactory for quality reproduction, Carlisle will quote artwork charges necessary to improve artwork. Note: Art should be original and NOT photo copy or rough drawing. (Cost of new art will be quoted separately.)
6. A minimum order of **144 trays** is required for custom colors or heat transfer.
7. **Custom decorated and custom color products are not accepted for exchange or refund.**
8. **Fiberglass trays are available in full case packs only.**
9. One-time film charge of \$15.00 Net Price per color for image sizes up to 8-1/2" x 11". Additional charges will apply for images over 8-1/2" x 11".

NOTE: Custom fiberglass trays shipped from Oklahoma City, OK.

Camera-ready artwork is required for **ALL** imprinting. Camera-ready art is defined as a sharp black and white image enlarged or reduced to proper size, ready for reproduction. Artwork must be clean with clear, crisp detail. Camera-ready artwork **DOES NOT INCLUDE** business cards, letterhead, or faxed-in logos. Artwork can also be sent on a CD, USB, or e-mailed (call to get address). Digital artwork must be high resolution 300 dpi in an eps or tiff format. Artwork should be sent in the original format in which it was created. Artwork must also be properly separated when more than one color is used.

Note: Logo colors must be darker than base tray color
